Sir:

Pursuant to the provisions under 37 C.F.R. §§ 1.78(a)(3) and 1.78(a)(6), Applicant petitions for a claim to priority to United States Provisional Application No. 60/347,062, filed 1 September 2002. This application is a national stage application, filed under 35 U.S.C. §371 of International Application No. PCT/IB03/00332, filed 1 September 2003. Applicant is submitting concurrently an amendment under 37 C.F.R. §1.121, to amend the specification to add a reference to the Provisional and PCT applications. In addition, Applicant is submitting a fee under 37 C.F.R. §1.17(t).

The entire delay between the due date of the priority claim under
37 C.F.R. §1.78(a)(5)(ii) and the date the claim was filed was unintentional.

Granting of this Petition respectfully requested.

Respectfully submitted,
